A specific Committee assesses the basic academic knowledge of Agricultural economics and rural appraisal, Arboriculture and fruitculture, General and applied entomology, Plant Pathology, through an oral examination.

Personal preparation is met if the candidate graduated in classes L-25 and L-26 (Ministerial Decree 270/04) or L-20 (Ministerial Decree 509/99) and shows a GPA graduation mark equal to or greater than 100/110 (or foreign equivalent).

The Degree Programme Board may consider as exempted from the assessment students under any of the following circumstances:

- Withdrawal from studies
- Loss of student status
- Application to opt out of previous degree programme systems
- Possession of an Italian or foreign academic qualification or learning activities carried out in foreign Universities
- Transfer from another degree programme at the University of Bologna
- Transfer from another University.

Failure to pass the test will result in exclusion from the course.

4.4.a. How the adequacy of personal training is verified

The adequacy of personal training is verified either by graduation grade: a student has adequate personal training if they graduated with a grade of 100/110 (or foreign equivalent)

or

by assessment of curricula/qualifications: a special Committee will examine the documentation submitted in the application phase and possibly call the candidate for an oral interview.

4.4.b. Adaptations for the oral exam for Students with Disabilities or Specific Learning Disorders (SLD)

If you have a disability or a Specific Learning Disorder (SLD) and wish to request adaptations for the admission test, you must submit your request by the intake registration deadline. Use the form available on Studenti Online (www.studenti.unibo.it), typically located under the "see details" section of your application.

Possible adaptations:

- ▶ Extra time: 30% additional time for candidates with SLD, other developmental disorders, or specific medical conditions; 50% additional time for candidates with certified disability and/or impairments under Law 104.
- ▶ Assistive tools, such as text-to-speech devices, non-scientific calculators, or other aids assessed on a case-by-case basis based on your certification. A full list of adaptations is available on the request form.

If logistical or regulatory constraints make it impossible to provide the requested adaptations, an equivalent compensatory measure will be arranged.

Procedure to request adaptations:

- ▶ Log in to Studenti Online (www.studenti.unibo.it) and navigate to the "Requests in Progress" section.
- ▶ Download and complete the "Adaptations Request" Form.
- ▶ Upload the completed form (in PDF format) in the designated section.
- ▶ Upload the required supporting documentation, outlined below

Important:

Before finalizing your registration for the test, ensure that you have uploaded both the adaptations request form and the necessary medical documentation.

Required Documentation:

- ▶ **Diagnosis of specific learning disabilities (DSA) pursuant to Law 170/2010**, issued by the National Health Service, an accredited private centre, or a private specialist accompanied by a conformity statement issued by the National Health Service. The document must be issued within the last three years or after the student turns 18. Considering the emergency situation that led to a reduction in the activities of the National Health Service (SSN) clinics, diagnoses of Specific Learning Disorders (SLD) under Law No. 170/2010 will be accepted for adaptations requests for admission tests, even if issued more than three years prior. The Service reserves the right to request an updated diagnosis after enrolment or at least written proof that you are waiting for a renewal. For further details, please refer to the page on the website (in Italian): <https://site.unibo.it/studenti-con-disabilita-e-dsa/it/per-studenti/certificazioni-richieste>.
- ▶ **Specialist documentation issued by the National Health Service (SSN)**, certifying another type of specific developmental disorder that impacts learning.
- ▶ **Certificate of handicap pursuant to Law 104/92.**
- ▶ **Certificate of legal disability.**
- ▶ **Specialist medical documentation** confirming conditions that may temporarily or permanently **affect your ability** to study or take the test.

Documentation must be clear and include all relevant details about your specific needs.

The University's Service for Students with Disabilities and SLD will evaluate the consistency of your request with the submitted documentation.

Results will be communicated to your institutional email address

(name.surname@studio.unibo.it). Please, check your email regularly. In case of incomplete or unclear documentation, you may be asked via email to provide additional materials within a specified timeframe.

If you do not submit your request or provide the required supplemental documents within the indicated deadlines, adaptations cannot be granted.

Students with disabilities or SLD residing abroad must submit legalized certifications attesting to their condition, accompanied by an official translation into Italian or English. The certifications are reviewed by the competent authorities to verify that the documentation confirms a disability, or a specific learning disorder as recognized by Italian law.

For further information about adaptations requests, contact the **Service for Students with Disabilities and SLD** at ases.adattamentiammissione@unibo.it.

4.4.c. What happens if my personal training does not meet the adequacy criteria

If your graduation grade falls below the set threshold (greater than or equal to 100 /110) you will receive at your institutional email address @studio.unibo.it an invitation to attend an online interview, which will take place according to the methods, criteria and procedures established by the Degree Programme Council and published on the website of the Programme.

If the outcome of the interview is negative, your training will be deemed unsuitable and you will not be able to register for the programme.

For matriculation purposes, it will be necessary to verify the actual suitability of the foreign qualification and the authenticity of the documentation produced. Career activation must take place by **26 February 2026**; otherwise, your matriculation will be cancelled.

Once your career is active, you will be sent an e-mail with a QR code allowing you to print your badge.

7.1.b. Shortening a degree programme (for those with completed university careers)

If you want to apply for recognition of previous academic careers, check how you can do this and the applicable deadlines at <https://www.unibo.it/it/studiare/iscrizioni-tasse-e-altre-procedure/lauree-e-lauree-magistrali/abbreviazione-di-carriera>.

7.2 Programme transfers, university transfers and simultaneous enrolment

If you want to change degree programme within the University of Bologna (Programme transfer), check how you can do this at <https://www.unibo.it/it/didattica/iscrizioni-trasferimenti-e-laurea/cambiare-corso-di-studio-interno-universita-di-bologna/cambiare-corso-di-studio-interno-universita-di-bologna>.

If you matriculate and request to be transferred from another university, consult the page [Transferring to the University of Bologna - University of Bologna \(unibo.it\)](#).

If you wish to apply for simultaneous enrolment in two programmes, as provided for by Italian Law no. 33 of 12 April 2022, please read the information on the page [Simultaneous enrolment in different programmes - University of Bologna \(unibo.it\)](#).

If, on the other hand, you register in one programme and are subsequently admitted to another, but do not wish to maintain enrolment in both programmes, do not enrol simultaneously; instead:

- if both programmes are at the University of Bologna: apply for a programme transfer;
- if the first programme is at another university: apply for a university transfer.

Alternatively, you can waive your current programme and proceed with a new matriculation (Section 4).

Please note!

If you are a **non-EU citizen, reside abroad, hold a residence permit for study purposes and formally renounce your studies** at this or another university, you **lose the requirements for residency in Italy, and therefore your residence permit will be revoked**. In this case, you must return to your country of origin and initiate the pre-enrolment procedures

through University at the competent Italian diplomatic mission (Embassy/Consulate), within the deadlines set annually and published on the website

<https://www.universitaly.it/studenti-stranieri>.

8. FEES AND BENEFITS

8.1 University fees

Information on **tuition fees** and on **benefits and exemptions** is published annually on the University Portal at www.unibo.it/Tasse.

The fee to be paid to enrol for a degree programme consists of a fixed element of € 157.04 and a variable element calculated according to the student's family's financial situation (ISEE) up to a maximum that varies according to the programme.

Your tuition fees will be calculated on a progressive scale based on a valid **ISEE certificate** only if submitted in accordance with the terms and procedures set out on the web page www.unibo.it/Tasse. If you do not submit an ISEE certificate, you will have to pay the full tuition fees relevant to your degree programme.

Submission of an ISEE certificate is independent of programme enrolment. The order in which you carry out the two procedures is irrelevant, as long as you comply with the deadlines set for each.

Please note!

International students who only have income and assets abroad cannot submit an ISEE certificate, but must refer to the information at <https://www.unibo.it/it/didattica/iscrizioni-trasferimenti-e-laurea/tasse-e-contributi/ISEE-e-altre-attestazioni-utili-per-le-esenzioni-delle-tasse-universitarie>.

Please note!

Submitting financial documentation for tuition fee exemptions, following the instructions on www.unibo.it/Tasse, is very simple and worthwhile even if you have not yet decided

whether to enrol in a programme at this university. Remember that if you do not submit the documentation by the deadline, you will not be eligible for any discount. The deadline is peremptory and no exceptions are ever allowed.

8.2 Right-to-higher-education grants provided by ER.GO

Azienda Regionale per il Diritto agli Studi Superiori – ER.GO publishes calls for scholarships, places in university residences, catering and other benefits on its website (www.er-go.it) every year.

The application for ER.GO grants is independent of the degree programme application and enrolment procedures.

Please note!

You must submit your application for an ER.GO grant via the company's website, also entering your ISEE certificate. Applying is very simple and is worth doing even if you have not yet decided whether to enrol in a programme at this university. Remember that calls have a peremptory deadline and no exceptions are ever allowed.

8.3 Important information for those who already have an active university career

If you already have an active university career, before transferring from another university or changing programme, if you are already enrolled in a programme at the University of Bologna, carefully consult the **merit requirements for access to grants** set out in the call published on www.er-go.it because, due to the recognition of university educational credits (CFUs) acquired in your previous career, **your position may change as regards access to grants.**

Please note!

For all ER.GO benefits, the minimum number of university educational credits required for merit is always determined starting from the year of first enrolment at university (even if for another University, University Institute or Degree Programme, even abroad), regardless of the year of the programme to which you are admitted following the recognition of your credits, and only those that are recognised on the programme you are enrolled in are considered valid.

8.4 Right-to-higher-education grants provided by the University

Information on the University's grants can be found on the University Portal under www.unibo.it/AgevolazioniEconomiche.
