BEHAVIOUR

During clinical rotations, all students must behave appropriately and in accordance with their role as future healthcare professionals.

Students must therefore:

- Arrive and leave on time when you are scheduled to attend a clinical rotation;
- Comply with rules and regulations of the teaching hospital, hospital ward as illustrated by the clinical rotation coordinators and tutors;
- Wear a white coat when attending hospital wards (not provided by the teaching hospitals);
- Arrive and leave on time, and notify any absence to the clinical rotation coordinator/tutor.
- Be respectful to everyone;
- Comply with the institutional rules and regulations regarding workplace hygiene, health, and safety;
- Comply with privacy rules when dealing with any data and information during clinical rotations.

DRESS CODE

Students attending clinical rotations must wear a white coat, in compliance with institutional rules and regulations on workplace hygiene. White coats are not provided by teaching hospitals.

Access to the operating theatre sections (Blocchi Operatori) of the S.Orsola-Malpighi teaching hospital is permitted only when wearing the required TTR uniforms. TTR uniforms are provided directly by the departments.
