

TIMETABLE INSTRUCTIONS

The timetable of learning activities is published on the programme website. You can access it from <https://corsi.unibo.it/singlecycle/MedicineAndSurgery/timetable>, or by clicking on the 'Timetable' icon on the programme website homepage.

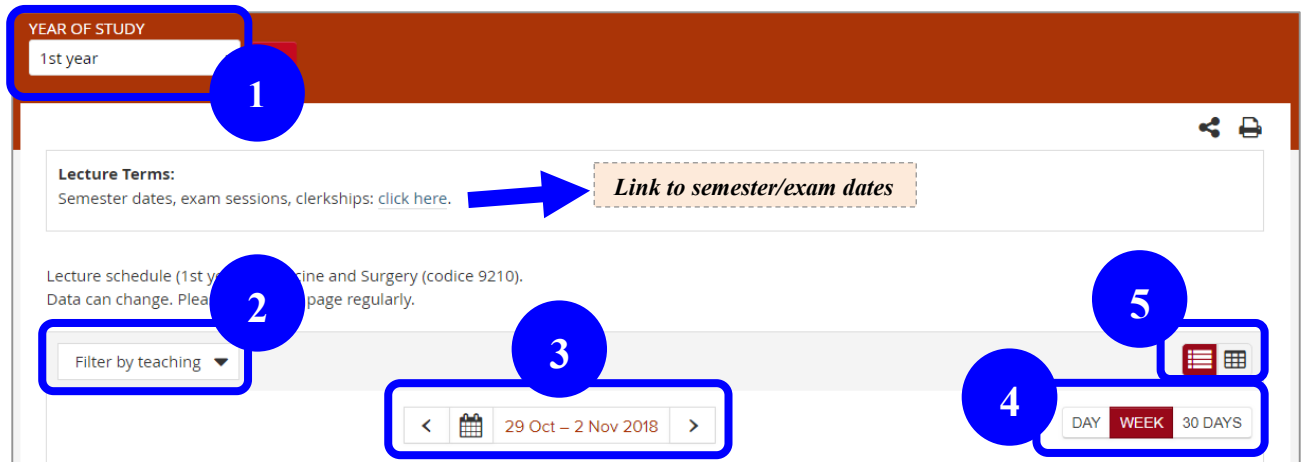

The default timetable page display is as follows:

TIMETABLE FILTERS

On the timetable page, you will find several **filters** (see figure below); you can click on the numbers of the figure below for a description of how each filter works.

Please note that **you can apply filters simultaneously** in order to display the timetable as you see fit. For example, to display the weekly timetable of the 'MUSCULOSKELETAL SYSTEM AND MOVEMENT (I.C.)' components from 15 to 19 October 2018 in 'Table' format, you must select:

4. DAY/WEEK/30 DAYS

This filter allows you to change **how many days of timetable are displayed** on the page.

To use this filter, click on one of the options you will find on the right-hand side of the timetable. You can choose between 'Day', 'Week' (default view), and '30 Days'.

- **'DAY'**: all classes of one single calendar day are displayed. This filter is available for both layouts (table and list).

The screenshot shows a web interface for viewing a lecture schedule. At the top, there is a header with the text "View the lecture schedule for the year you are enrolled in." Below this, a "YEAR OF STUDY" dropdown menu is set to "2nd year" with a "GO" button. The main content area is titled "Lecture Terms:" and includes a link for "Semester dates, exam sessions, clerkships: click here." Below this, it specifies "Lecture schedule (2nd year) - Medicine and Surgery (codice 9210)." and a note "Data can change. Please check this page regularly." A "Filter by teaching" dropdown is visible. The date "22 October 2018" is displayed with navigation arrows. On the right, three buttons are shown: "DAY" (highlighted with a blue square), "WEEK", and "30 DAYS". The schedule is displayed in a list format for "MONDAY".
